### PRESIDENT'S MESSAGE

Greetings to everyone.

When last month's message urged our members to "jump in and have fun", it is doubtful that in any way included jumping in to snow drifts on walkways and driveways with shovel in hand! Is it just me, or does it seem to have snowed much more frequently than it has for many years? I think that the mounds of snow all over town tend to support that. Certainly it is not all bad, though. A healthy layer of fresh fluffy snow surely does make for some pretty and peaceful scenes, especially when the wind is not blowing. This month will bring us three days of particular note – interestingly enough they are all in a row right in the middle of the month. Firstly, on the 14th, we have Valentine's Day that has evolved from a romantic tradition to a much broader celebration of friendship and self love – a day for everyone. The next day, February 15th, is Flag Day in Canada. This day is intended to commemorate the choosing of our current Maple Leaf flag. Perhaps the prevailing climate will give added reason for us to wave it enthusiastically this year. The very next day, the 16th, is Family Day in many parts of Canada. Since the designation of this special day is intended to give families time to be together, many families now use the day to take part in a variety of locally planned winter activities, such as public skating, igloo building,

skiing, tobogganing, ice fishing, maple syrup/sugar shack tours, music and crafts. Now that's a whole lot of cool!

It really is heart warming to see news captions about how Canadians have embraced these three days to reflect our values and patriotism. All of these efforts and actions can't help but make the next generation and fellow citizens stronger, hopeful and prouder as a nation. I can feel the thump-thump in my chest just thinking about it.

##### **VIRTUAL GOLF**

**Denise: [Deniset1954@gmail.com](mailto:Deniset1954@gmail.com) and**  
**Cathy: [cjef@bell.net](mailto:cjef@bell.net)**

Although this group is currently mostly women, we now have a man in the group who would be interested in attending either movies or other events, in a group or one on one. Perhaps there are other men who would like to join the fun?? The group is comprised of

individuals, not couples – it provides an opportunity for both attached and unattached individuals to get together to share a fun activity. Are you interested in an activity, but don't want to go alone, or don't mind going alone but want to find out if someone else would like to share your activity – then the group of Girls (and Guys) Just Wanna Have Fun is for you! Denise and Cathy maintain the group member list which is shared amongst all group members. Any member may suggest an activity and invite other members of the group to join them. The member proposing the activity would be responsible for coordinating with those who expressed an interest in joining them. Three members went to see the pantomime Jack and the Beanstalk at Globus Theatre near Bobcaygeon, preceded by lunch in Lindsay. Three members went to see Song Sung Blue at the Century Theatre in Lindsay, preceded by lunch.
