## PRESIDENT'S MESSAGE

**Greetings to everyone,**

In the midst of recent nagging concerns brought about by too much bad news and too much darn snow, we might find respite in a soothing favourite comfort food. Whether you are eating a home cooked stew or mac and cheese, the simple act of eating can provide temporary diversion and foster a sense of connection and belonging. This latter benefit can especially be found by belonging to our Port Perry PROBUS club. Through the work of many, we have many opportunities to gather over food – each time finding camaraderie while boosting our “feel-good” neurotransmitters.

No matter how we share our meals, recipes or dishes, be it at one of our varied Port Perry restaurants or in our homes, we are fortunate to also have the comfort of knowing we have world-wide recognition of our poutine, maple syrup and butter tarts, among the other strengths that unite us as a nation.

In conclusion, the wonders of comfort foods or culinary delights are as diverse as

our personal lives and experiences. Each emotional association that we have with food, serves to weave through our families, friends, generations, cultures and histories. I'm sure that you all have stories to share about a food that gives you a yearning for home, a sense of security and an endearing memory. For me, even as a 70+ year old adult, it is the memory of my mother proudly bringing her brown crock cookie jar to our farm table in rural Saskatchewan. In fact, her ashes were eventually lovingly sealed in that very cookie jar for eternity.

So, the next time you crave a comfort food or would love to share a bite with someone, rest assured that is one of the best things you could think of doing. Medicine for the body and for the soul! Enjoy!

*Jim Adamson*

## THIS MONTH'S SPEAKERS

### Guest Speaker – March 18

**NEIL CRONE**

**“My Life in Canadian Film and Television”**

*“I’m not a real person but I play one on TV.”*

#### About Our Speaker:

After 37 years in the business, Emmy-nominated actor Neil Crone’s face will likely be familiar but even then you’ll wonder where the heck you know him from. From his days on set as a nervous newbie to working as a regular cast member in more than a dozen television series, Neil takes you on an insightful, often hilarious, behind-the-scenes look at the life of a Canadian actor. His obvious love for the crazy, unpredictable life of a performer, his delightful optimism in the face of uncertainty and his seminal message of ‘follow your bliss’ is wonderfully contagious

### Short Presentation – March 18

**KARA WRIGHT**

**BSch, PharmD, RPh**

**“North Durham Family Health Team”**

The North Durham Family Health Team (NDFHT) is a team of health care professionals collaborating with the physicians of Medical Associates of Port Perry to deliver expanded medical services to Port Perry and our surrounding community. We aim to ensure fair access by offering a variety of programs, services, workshops, and events to all members of the North Durham community

#### About Our Speaker:

Kara is the Executive Director of the North Durham Family Health Team and she also works as a Pharmacist in the Memory Clinic. She’s been a part of the team since 2017.

### Did you miss our February Meeting?

#### HERE’S A RECAP

Our guest presenter was Wilf Malette who is the Co-chair of the Durham Ride for Dad charity, headquarters in Blackstock Motorsports.

He told us how the program was initiated in Ottawa, has chapters in many areas across Canada and this year is the 25th Anniversary. The goal of the Ride for Dad program is to raise funds to support research and to make people aware of prostate cancer as well as promoting the benefits of medical proactivity.

Wilf introduced Ben Burghout who is in his 12th year as a survivor of prostate cancer. Ben underwent surgery and a long-term difficult treatment after being diagnosed. Ben’s message was to encourage men over 40 years of age to see their doctor for a PSA blood test which can discover prostate cancer in early it’s early stages.

People came away from the meeting with a clear message about prostate cancer. There was much discussion about speaking to men in their families about the importance of early detection, a simple PSA blood test. Statistics estimate that 1 in 8 men will be diagnosed with prostate cancer during their lifetime.

### POTENTIAL NEW INTEREST GROUPS!

Contact: [interest.portperryprobus@gmail.com](mailto:interest.portperryprobus@gmail.com)

#### DARTS ON THURSDAYS

The Royal Canadian Legion, Branch 419 at 484 Bay St. in Port Perry has advised us that they have Thursday afternoon (2-4pm) available to Probus for a second darts group. Legion membership is not required. It's not a league – we'd just play for fun. If you are interested in joining this potential NEW interest group or helping coordinate it, please contact the Interest Groups Chair.

#### BOOK CLUB #3?

Would you like to join a book club but are disappointed our other two book clubs are full? If so, we can start a third book club! The group members would decide when, where and how often to meet and what to read. If you are interested in joining, please contact the Interest Groups Chair. If you think you might like to help coordinate this group, let us know that too!

#### BILLIARDS ON THURSDAYS

The Royal Canadian Legion, Branch 419 at 484 Bay St. in Port Perry has advised us that they have Thursday afternoon (2 - 4 p.m.) available to Probus for a Billiards group. Legion membership is not required. It's not a league – we'd just play for fun. If you are interested in joining this potential NEW interest group or helping to coordinate it, please contact the Interest Groups Chair.

#### POKER

We were thinking ... there must be some poker players amongst our Probus membership!? If so, would you like to play in a NEW Poker interest group? Day, time and frequency to be decided by the group members. If you are interested in playing poker, please advise Kim Lendvay (Interest Groups Chair).

#### VIRTUAL GOLF AT DUNNY'S DIVOTS

We have met with Dunny's Divots and they have virtual golf (as well as other fun activities)! We could play in their virtual golf league, start our own Probus league or just play for fun! They're on Old Simcoe Rd. beside the Port Perry recreation centre/arena. Date, time and frequency of Virtual Golf will be decided by group members. They also have a golf pro who can teach us lessons combined with a continental breakfast, hummm...

If you're interested in joining this potential NEW interest group and/or helping coordinate it, please contact the Interest Groups Chair.

#### BIRDWATCHING WALKS

May and June are the best times to see birds! We have a huge variety of species in Durham Region. Join Geoff Carpentier (Professional Nature Guide & experienced birdwatcher) as he shares secrets of the lives of our local birds. Geoff will be leading two walks: Friday May 16 and Tuesday June 10. Both walks are from 8 a.m. - 10.a.m at a location to be decided but will be local to the Port Perry area. If you're interested in attending, please contact the Interest Groups Chair.

Interest groups provide an opportunity to interact with those who have similar interests and passions as you do. Whatever they are, there are lots of others who share the same. Consider introducing your interests to others who have either never tried it, or have made unsuccessful attempts to learn. At the same time, take the opportunity to improve your own skill levels and learn other and different ways to approach them.

[dlynnttracey@gmail.com](mailto:dlynnttracey@gmail.com)

Some dates to remember: May 3 - Giant Yard and Bake Sale; May 5, 10, 14 & 17 - Open House for new members. Great sport and you get to spend your day in the sun.

## **Other Nifty Interest Groups**

### **FINDING YOUR ROOTS**

**Neil Kilmartin: [neilmkilmartin@gmail.com](mailto:neilmkilmartin@gmail.com)**

We meet the first Wednesday of each month from 10 a.m. to noon in the Scugog Library's Board Room. We have recently opened up our group to the members of the Scugog-Uxbridge PROBUS Club, and have tentatively met our revised cap of 16. But if you wish to join us, let me know, and your name can be added to the waiting list. However, If you want to drop in for a meeting or two and check us out, don't hesitate to contact Neil via email. You will be welcomed!

We are open to people with any degree of genealogical experience, right from the newbie to the seasoned family historian. Our focus tends to be on "sharing our individual experiences". Guidance and initial help researching is always available.

### **GIRLS (AND GUYS) JUST WANNA HAVE FUN**

**Denise: [Deniset1954@gmail.com](mailto:Deniset1954@gmail.com) and**

**Cathy: [cjef@bell.net](mailto:cjef@bell.net)**

Although this group is currently mostly women, we now have a man in the group who would be interested in attending either movies or other events, in a group or one on one. Perhaps there are other men who would like to join the fun?? Two members had an impromptu drive up to Bobcaygeon and Fenelon Falls to see the fall colours and had a lovely lunch in a restaurant with the windows open to the lock. The group is comprised of individuals, not couples – it provides an opportunity for both attached and unattached individuals to get together to share a fun activity. Are you interested in an activity, but don't want to go alone, or don't mind going alone but want to find out if someone else would like to share your activity – then the group of Girls (and Guys) Just Wanna Have Fun is for you! Denise and Cathy maintain the group member list which is shared amongst all group members. Any member may suggest an activity and invite other members of the group to join them. The member proposing the activity would be responsible for coordinating with those who expressed an interest in joining them.

Three members got together for dessert and a movie, but got too busy visiting to watch the movie!

### **TRAVEL GROUP**

**Tim: [timcasey22@gmail.com](mailto:timcasey22@gmail.com)**

The Travel Interest Group met on February 3rd when we discussed members' travel plans and recent travel experiences. Our feature presentation was by Judy Spring about the PROBUS Group of 22 on the Danube River Cruise in September 2024. The discussion was quite informative, and particularly around river cruises and some of the 'adjustments' that such cruises might have to make if the rivers experience flooding or low water.

The next meeting will be at 11:10 a.m. on Monday, March 3rd in the sunroom of Col. Mustard's Pub in Port Perry. The feature presentation will be Denise Throp speaking about a river cruise through the Netherlands and Belgium. All Probus members welcome!
