Revised COVID Safety Requirements – August, 2022

The club has revised its COVID-related safety requirements for club activities, and the revised safety measures are as follows:

1. All attendees at Club-sponsored meetings, events and travel must be fully vaccinated for COVID-19 and have provided proof of such vaccination to the Club.
2. Masks are optional for all Club activities with the exception of where the host or operator of an activity, or the related facility, requires masking.

The Club management Committee reviews the COVID situation at least monthly and will revise the above requirements as necessary.
